

## Life Science Partner: Diagnostics Experience

---

Life Science Partner is an executive search and consulting firm recruiting transformational leaders to lead medical device, biopharmaceutical, and high-tech healthcare services companies. Our clients return time and again for our medical and scientific knowledge, our extensive networks across the industry, and our highly-focused, principal-led process that provides superior candidates.

Life Science Partner has a significant practice in the area of diagnostics across a broad range of functions. We work for some of the market leaders, as well as early stage companies backed by the top venture capitalists.
